Business:

Chris Morton, winner of the club's Humorous Speaking contest in July, will represent the Area (five clubs) if the representative selected from the Area contest is unable to attend the Division-level contest. Club members are encouraged to attend and support Chris if he has the opportunity to compete at the Division contest on September 24 at 9:30am at Anthem in downtown Indy.

Club members were reminded that semi-annual dues (\$36) were due. Seven members paid their dues by the end of the meeting. The Treasurer deposited the checks and cash into the club bank account at Ameriana immediately after the meeting.

Catherine Smith noted that she still needs a couple of personal profile sheets from members for the club website.

An Executive Committee meeting of club officers was held after the regular meeting was adjourned.

Meeting Notes:

Catherine Smith presented the first prepared speech, as speech #3 in the CC manual, on "I Am An American, Therefore I Can". Paul Pottle presented the second prepared speech, as speech #4 in the CC manual, on "Communication Is Key".

Josh Horstman provided opportunities in Table Topics related to the meeting's theme "New York City". Those responding during the TT session included Trimmer, Ivers, Erwin, and LaBore.
