**Business:**

VP of Public Relations Catherine Smith passed out personal profile forms for each of the members to complete. The information from these forms will be used to populate the membership directory on the club website. Horstman mentioned that the website will be moving to a new system within the next few weeks as part of the Toastmasters rebranding initiative. To avoid duplicating work, the member directory will not be added until after the website migration has been completed.

**Meeting Notes:**

This meeting was a "Speech-a-thon" so four prepared speeches were given and Table Topics was omitted from the agenda. Chris Morton presented the first prepared speech on "Never Give Up". Earl Smith presented the second prepared speech on "On the Farm: Child to Man-Child". Chris Lytle presented his icebreaker as the third prepared speech. Paul Pottle presented the fourth prepared speech entitled "Why?".

Respectfully submitted: Josh Horstman, Greenfield Toastmasters Club #3326 President  
On behalf of John LaBore, Secretary
