**Business:**

John LaBore noted the upcoming "Health and Wellness Fair" on April 19 at Elanco and that Toastmasters had been given permission to set up a booth at the Fair. Meg Claxton and John will represent Toastmasters at the booth; all other members were invited to assist with the booth if they had time available.

.

**Meeting Notes:**

This was an all Table Topics meeting. John LaBore provided table topics related to the meeting theme of "Animation and Disney". Ivers, Smith, Wyatt, and LaBore all responded to questions (LaBore responded to a question generated by another member). Unlike most Table Topics in which only one or two members provide all evaluations, during this meeting all three of the other members gave evaluations of the Table Topics response by each member.

Next meeting at Ameriana Bank conference room, Greenfield: April 24, 11:15am.

Next meeting at Elanco Animal Health world headquarters, Greenfield: May 1, 2012, 6:00pm.

Respectfully submitted: John LaBore, Greenfield Toastmasters Club #3326 Secretary.
