### Club Business:

Area 32 Evaluation and International Speech Contest takes place tonight at 6:00 at the Warren Twp Government Center at 501 N Post.

The club had 6 officers trained during the December-February time frame.

FYI Our Area 32 Director, Stefane Townsend, will be visiting at our next meeting (March 14<sup>th</sup>)

Suggestions were made that in order:

- to have more time for speeches, the club consider not having introductions (Donna) and/or eliminating the reporting of the times (Tom)
- to get more evaluations we could use the ballots, which have areas for comments for the speaker
- to give more time to the Table Topics Evaluators, there be 15-20 seconds between speakers
